## COMPETITION PRIZES

8. The prizes to be won are instant prizes in the form of Swisslos Internet game credits worth a total CHF 30,000.
9. Participants who already have a game account on [www.swisslos.ch](http://www.swisslos.ch) may not win instant prizes in the form of Swisslos Internet game credits. Instead, they will be entered automatically in an extra draw, where they could win non-cash prizes worth a total of CHF 5,000.

## DRAWS

### a) General remarks and responsibility

10. Swisslos is responsible for carrying out the competition.  
All decisions regarding the holding of the draw are taken in agreement between the Swisslos representatives present and the supervisor. The ultimate decision rests with the latter. Decisions confirmed by the supervisor as well as draw results are final.

### b) Allocation of instant prizes

11. The Swisslos Gaming System automatically assigns the instant prizes to the individual entries in accordance with defined criteria and rules.

### c) Allocation of non-cash prizes

12. The winners of the non-cash prizes will be drawn in accordance with the requirements of the Swiss Lottery and Betting Board (Comlot).
13. The results of the draw are documented in a draw protocol, which will be available for inspection subsequent to a request for such.

## DELIVERY OF PRIZES

14. Coupons for Swisslos Internet game credits are not cumulative and can only be redeemed at [www.swisslos.ch](http://www.swisslos.ch). Coupons may be given away for free to third parties, but may under no circumstances be sold on or auctioned.

Unredeemed credits from instant-prize coupons will expire no earlier than one month following successful participation.

15. Prizes will not be paid out in cash. Swisslos may replace a prize advertised with another prize of equal value at any time.

## FURTHER

16. Participants who violate and/or manipulate the Terms and Rules will be excluded from the competition. If there are grounds for exclusion, corrections may be made to the rankings and any prizes may be withdrawn (even at a later time), or any prizes paid or sent out can be reclaimed.
17. Swisslos as organizer or the agencies or partners tasked with carrying out the competition are entitled to suspend, cancel or stop the competition if it can no longer be duly carried out, especially in the case of hardware or software failures, program errors, computer viruses or unauthorized access by third parties, as well as mechanical, technical or legal problems.
18. Swisslos will endeavour to make the competition playable on all common web browsers and the latest versions of these browsers. Entitlement to play cannot be inferred if a web browser or a version of it is not supported.
19. If e-mails cannot be sent to winners (due to technical problems, for example), there is no entitlement to compensation.
20. By entering this competition, the participant accepts these Terms and Rules as well as any publicity associated with a win, in particular that their name and place of residence may appear and/or be published on both the Swisslos website ([www.swisslos.ch](http://www.swisslos.ch)) and in other media.  
  
In the event that details are accidentally published incorrectly, only the draw results are binding for the entitlement to a prize, and not the incorrect details published.  
  
Furthermore, the participant agrees to receive information from Swisslos about other lottery and betting products. This consent can be revoked at any time. Data is never passed on to third parties.
21. No correspondence will be entered into with regard to the competition. The judges' decision is final.
22. The present Terms and Rules supplement the Terms and Rules for participation via the Internet Gaming Platform issued by Swisslos Interkantonale Landeslotterie.
23. Where the English, French or Italian version of these Terms and Rules deviates from the German version, the German version alone is binding.

These terms and conditions are available at ([swisslos.ch](http://swisslos.ch)).
